Memo No. 1633/55-L. Dated. 25/5/55

Sub:- Census 1951- National Register of Citizens- South Kanara Dist- Mangalore Taluk- Repairs- Sanction-Requested.

Ref:- Letter No. B.3. 12600/55 dated 6-5-55 from the Collector of South Kanara.

The Collector of S. Kanara has not given the nature of the repairs proposed to be made given to the NRC. of the Mangalore TK. justifying an Expenditure of Rs 100/-

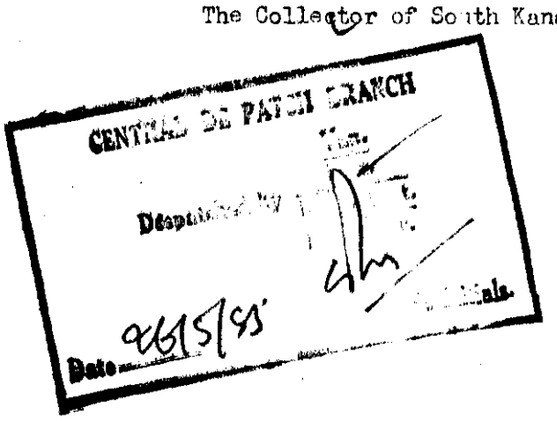
~~The Collector of South Kanara is requested to give a detailed report on the nature of repairs to the National Register of Citizens~~ of Mangalore Taluk and examine whether an expenditure of Rs. 100/- is absolutely necessary.

~~He is informed that the instructions in Memo. No. 1366/Census/52-2 dated 2-12-52, Rules~~ do not contemplate the binding of National Register of Citizens. All that is necessary is to mend and stitch properly the brown wrappers or to replace them wherever necessary by new brown cartridge paper. As the National Register of Citizens are confidential records the local binders also cannot take them to their shops to mend them; the work will have to be done in the TK office itself under proper supervision.

The Collector is therefore requested to say whether the expenditure of Rs 100/- cannot be reduced.

To

The Collector of South Kanara.



Note:

Please see the letter from the Collector of South Kanara on P. 1 Cf.

He has requested sanction of an for incurring expenditure of Rs. 100/- only towards the cost of repairs to the 280 National Registers of Citizens of Mangalore Taluk.

He may be asked to examine whether such a large amount is absolutely necessary.

The draft memo above is submitted for approval.
